PATIENT RELEASE OF INFORMATION

Genzyme's Renassist program must have the patient's authorization to conduct a benefit verification and insurance research. By providing authorization, the patient ("you") permits Renassist and/or its affiliates to contact the insurer(s), including Medicare, about Chronic Kidney Disease (CKD) related therapies and allows the insurer(s) to disclose the relevant information about you to Renassist.

PATIENT ATTESTATION AND RELEASE OF INFORMATION

Genzyme's Renassist program must have the patient's authorization to determine eligibility for patient assistance and to conduct insurance research. By providing authorization, the patient ("you") permits Renassist and/or its affiliates (including American Kidney Fund, AKF) to: (1) share patient assistance eligibility information with Diplomat Specialty Pharmacy (for Part D patients), with AKF (for other patients), your dialysis unit, and prescribing physician and (2) to contact your insurer(s), including Medicare, about Chronic Kidney Disease (CKD) related therapies and allows the insurer(s) to disclose the relevant information to Renassist. Renassist may need to provide Diplomat Pharmacy, AKF, and the insurer(s), including Medicare, with your name, date of birth, Social Security Number, diagnosis, insurance information, or other relevant information about you. Renassist and AKF may also contact you directly for missing or additional information required to process this patient assistance request.

By signing below, I attest that the financial information I have provided is complete and accurate and I agree that AKF and/or Genzyme may verify this information. By signing below I also authorize Renassist to contact me directly in the future about available assistance programs, CKD treatment and therapies, and/or reimbursement and access related information.
